Our History

Our journey in the South Wales Amateur league started in the 1999-2000 season in division 2 when we were known as Red Dragon & Baglan. We stayed at this level before gaining promotion to division one as champions at the end of the 2002-03 season.

In 2004, we changed our name to Baglan Red Dragons and in our second season in division 1 of the Amateur league, we missed out on the runners-up spot on goal difference.

In 2009, we changed our name to Baglan Dragons FC.

We were placed in the 1st division of the new South Wales Alliance League in the 2015-16 season after the merger of the South Wales Amateur and the South Wales Senior leagues, and were promoted after finishing as runners-up to Canton Liberal.

Over the last few years, our club has soared to new heights every single season, starting with becoming champions of the South Wales Alliance League in the 21/22 season, being crowned at Merthyr Saints after an incredible season.

The 22/23 season was even better. After a slow start to the season, our first team went on an incredible run to reach the Ardal league playoff final at the home of Penydarren BGC against an excellent Risca United. The boys dug in for the full 90 and two goals from Jordan Evans took us to the unbelievable heights of the JD Cymru South.

The 23/24 season saw our debut in the Cymru South, where we faced new challenges in the face of quite substantial budgets but we more than held our own, finishing in a respectable 10th position, with notable victories against local rivals Afan Lido, Goytre United, Trefelin and Pontardawe Town. In the same season, our first team bowed out of the Welsh Cup on penalties away to Premier League outfit Haverfordwest County.

Meanwhile, our reserves comfortably won the FAW reserves South West league while our FAW Youth league, South Wales Youth League and under 16 sides played out respectable seasons in their first season with Baglan Dragons.

The 24/25 season brings much excitement, both on and off the field. A merger between Baglan Dragons & Baglan Boys & Girls Club brought more than 400 players under the same club for the first time in our history.

We now run 29 junior teams, 2 youth teams, a reserves and our first team.

We have recently added a pan-disability section, with the help of the brilliant Simon Cummings and are in the processing of growing and developing this section further.

Secretary's welcome

Welcome to the Evans Bevens for our third home game of the 2024-25 league season. I would like to welcome back our supporters for what will be another big test for us in the JD Cymru South.

I would like to welcome the players, coaches, committee members and supporters of Cwmbran Celtic this afternoon. Last season, we were caught very late in both games and ended up drawing both games from winning positions. Cwmbran Celtic are very well established at this level and today's game will provide another stern test.

I would also like to welcome our officials for today - our referee is Ieuan Lewis and Ieuan is supported by assistant referees Brooklyn Lloyd-Meek and Lewys Evans.

The professional transfer window closed at the end of August and it turned out to be a relatively quiet one for us, with one addition and the departure of Ryan Pritchard to Ynysygerwn. We signed Nathan Logan from Garden Village during August and he impressed on his debut last Saturday in the Welsh Blood Service cup.

We've enjoyed a good start to the season in the second flight of Welsh football but haven't quite secured the results our performances and the character of our performances have warranted. The same was evident last Saturday, when we were comfortable against Penrhiwceiber before conceding two added time goals.

Thank you to our brilliant volunteers for getting the ground ready for today's game and to our amazing sponsors for helping to make days like today a reality.

The teams will be led out by our under 6 team, donning their new kit for this first time this afternoon. I hope Jacob, Cohen, Ray, Killy, Albie, Oscar, Noah, Iestyn and Charlie have a great day!

The photos that feature in this programme have been taken by Mason Jones. Please do not re-use these photographs without Mason's permission.

I hope you enjoy the match.

Scott

Cwmbran Celtic

Cwmbran Celtic football club was formed in 1925. In the early years the club was known as CYMS (Catholic Young Men's Society). After the immediate success of winning the Newport & District Division 2 Section A title in 1925/6 there was then a 25 year gap before the next trophy, the Premier Division title in 1950/1. The club disbanded in the late 1950's largely as a consequence of national service call-ups but a large influx of junior and youth players brought about the reforming of the club in 1964 under the new name of Cwmbran Catholics. In 1970/1 Celtic won the Gwent Senior Cup. In 1972/3 with playing membership open to all denominations the club dropped the catholic title and renamed as Cwmbran Celtic winning the Gwent Amateur Cup and finishing runners-up in the Gwent Premier League.

In 1979 the club bought its own premises at Oak Street, Old Cwmbran, the club's present headquarters. The club's ground was in Cwmbran Park but around 1995 they moved to the grounds outside Cwmbran Stadium which were shared with Cwmbran Cricket club. The cricket club later moved to Caerleon and Celtic obtained the lease from Torfaen Council.

Celtic played in the Gwent County League in the 1980s and 1990s and after gaining promotion as champions of Division 2 in 1986/7 remained in the 1st division for the next 10 seasons. However a disastrous slide found the club languishing in the 3rd division when Paul "Dishy" Richardson became manager in 1999. He transformed the side bringing in experienced ex-Cwmbran Town stalwarts Mickey Copeman and Kevin Payne alongside teenage striker Shane Williamson who for a dozen seasons was top scorer. The side was later bolstered by the return of ex-professionals Ben Graham and Mark Parfitt who had started their careers with Celtic as juniors. There were successive promotions from the 3rd to 1st division between 1999 and 2001 and in 1999/2000 Celtic won the Gwent County league cup.

In 2004/5 under new player-manager Mickey Copeman, the club were runners-up to Clydach Wasps who applied for membership of the Welsh Football League but their ground was adjudged to be not of the required standard. Celtic applied instead. Their ground was also not up to standard but they were able to share Cwmbran Stadium with Cwmbran Town and the Welsh League accepted the club's application.

In their first season in the WFL, 2005/6, Celtic struggled near the bottom of the 3rd division all season. In April Celtic travelled to Chepstow Town needing a win to stay in the league. They went 1-0 down. With minutes of normal time remaining substitute Jason Price equalised but a draw was not enough. In the 9th minute of time added on player manager Mickey Copeman went up for a corner. The ball was cleared off the goal-line by a Chepstow defender, it hit Copeman on the back and rebounded into the net. Celtic had achieved a last gasp win and, by winning their final match against Seven Sisters, Celtic escaped relegation on goal difference.

Cwmbran Celtic

The following season, 2006/7, Celtic now back at their upgraded and newly named ground, Celtic Park, were transformed. They only lost 2 games and enjoyed a 24 match unbeaten run.

They went to Risca for their last match already promoted but needed to win to secure the Championship ahead of Llanwern. With 3 minutes left Celtic were 1-0 down playing with 10 men after a red card for Kevin Payne. Then Sammy Winter equalised with a speculative long range shot and in the last minute a Risca clearance found full back Ben Graham outside the box. He hit a perfect looping volley over the goalkeeper's head and into the net. Celtic were champions.

In division 2 Celtic consolidated their position in 2007/8 and 2008/9 during which they introduced a number of players from their new partnership with Fairwater High School Football Academy in Cwmbran managed by Celtic coach Della Cheedy.

In 2009/10 Celtic were front runners destined to win the Championship. However they lost two key defenders at a crucial time and vital points were dropped. Nevertheless Celtic finished their games in 1st place and would win the title if Penrhiwceiber failed to win at Newcastle Emlyn. The home side was 2-0 up at one stage but Ceiber clawed their way back to win 3-2 and deny Celtic the championship. At the end of the season Mickey Copeman stood down after 7 years during which he secured 3 promotions which took the club from Gwent County League to the top division of the Welsh League.

In their first season in the 1st division, 2010/11 under new manager Ben Graham, Celtic struggled for much of the season and were firmly planted in the relegation zone but a superb run-in during which they won 7 and drew 3 of 14 games earned them 12th place out of 16. In 2011/12 a good start was made under Alan Dibble who stepped down in September with the team in 5th place, to be replaced by Gareth Morgan. Either side of Christmas, Celtic were 2nd but they had a dismal end of season run and again finished 12th.

In 2012/13 with head coach Della Cheedy at the helm, Celtic started brightly with some fine performances including a 4-2 win versus reigning champions Cambrian & Clydach but they lost their way in the New year and at one stage were in last place. However, with characteristic determination they dragged themselves up the table and sealed another season in the top division with a resounding 5-1 win against Haverfordwest County. Under Steve Morgan in 2013/14 Celtic underperformed finishing 4th from bottom and with Afan Lido relegated from the Welsh Premier League, Celtic were relegated despite appealing to an FAW arbitration. With Della Cheedy back as manager in 2014/15 Celtic finished 7th in Division 2.

Cwmbran Celtic

In 2015/16 Nicky Church started as manager but he resigned mid-season. Ex Ton Pentre boss Dean Morris took over, won two manager of the month awards, and guided Celtic to the runners-up position and promotion on the back of 10 straight wins. The club also reached the quarter finals of the Welsh Cup, going down 2-1 after a brave fight at home to WPL side Port Talbot. Josh Bull was the Welsh League's top scorer with 32 league goals.

In 2016/17, back in the 1st Division, Celtic went top of the league early in the season. Dean Morris resigned in March 2017 and first teamer Lee Challenger took over, winning his first 5 games in charge as the team ended in 6th place, their best position in 5 seasons in the top tier.

In 2017/18 Celtic finished 8th in the league and enjoyed their best ever league cup run, reaching the semi-final before losing to Llanelli Town 3-0. Chris Ham was Welsh Division 1 player of the season and top scorer with 28 league goals.

In 2018/19 Celtic finished a disappointing 10th in the League with Lee Challenger resigning in March 2019.

In 2019/20, for the inaugural season of the Cymru League South, Celtic installed Nicky Morgan and Simon Truman as the management team. With 9 new signings there was a lot of optimism for a successful season but the team never got going and after a 6-1 drubbing at Pontypridd in January the club regretfully dismissed the management duo. Development team manager James Kinsella took over with Matthew Williams as assistant, the team finishing 13th in a curtailed season due to the pandemic.

In 2020/21 only one game was played, in December 2020/21, a 2-0 defeat at Pontypridd Town in the Nathaniel MG League cup.

Cwmbran Celtic finished last season in 9th position with 12 wins, 6 draws and 12 defeats and a positive goal difference of 5.

BFL

Design | Installation | Maintenance

Formed in 2006 BFL Engineering Services Ltd is a versatile and multi skilled provider of mechanical, electrical and building service solutions. We pride ourselves on our capability to offer a professional and collaborative solution to our customers nationwide

We design, install and maintain buildings with our reputation built on high quality technical delivery, we combine our technical knowledge and engineering pedigree built over time with a growing need for energy conservation, innovation and environmental awareness.

Working closely with our customers, employees and sub-contractors ensures we deliver value for money and effective sustainable solutions.

Our extensive expertise spreads over many sectors making us a leader within our industry,

Our beliefs are underpinned by our vision and values unifying us together to deliver excellence for our clients.

YOUR ELECTRICAL EXPERTS

CEF are the UK's largest electrical wholesaler, stocking over 40,000 electrical supply products from lighting to power tools to cabling to air-conditioners as well as screws and fasteners. We stock top name brands such as Dewalt and Makita to Honeywell, 3M, Bosch, Hager, Philips, Schneider, Dyson as well as the latest in MyEnergi EV chargers. Pick one of our 391 stores to collect from your preferred electrical equipment

The logo for Plexus Fire & Security features the word "PLEXUS" in large, white, sans-serif capital letters. A red diagonal slash cuts through the "X". Above the "X" is a stylized graphic consisting of a white swoosh and a red swoosh. Below "PLEXUS", the words "Fire & Security" are written in a smaller, red, sans-serif font.

PLEXUS

Fire & Security

At Plexus Fire and Security, our priority is to protect your property, your people and your assets.

Whatever your sector, industry or size of business, we can assist in the following disciplines:

Fire alarms

CCTV

Access control/biometrics

Intruder alarms

IP & analogue intercom systems

Data infrastructure

Alarm monitoring

CCTV monitoring

Integrated systems

Graphic user interface

ThermoGuard Solutions

Who we are:

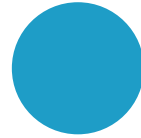

Established in 2022, ThermoGuard Solutions are a team of engineering specialists within the field of thermal insulation.

Based in South Wales, we operate throughout the UK supporting a nationwide customer base.

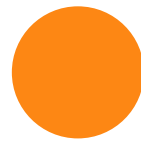

Our company is in its early stages of trading but our engineering team hold a plethora of experience with over 30 years in the industry.

As a team we have provided and offer insulation services of the highest standard to the commercial, industrial and marine sector. We can cover the entire scope of our clients needs from supply, installation, technical support and maintenance.

What we do:

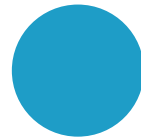

Thermal Insulation
Accredited installers of specialist insulation systems

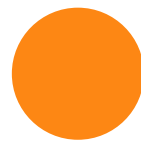

Trace heating & Frost protection

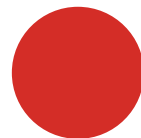

Valve Protection (insulation jackets)

Acoustic Insulation & Fireduct Insulation systems

Industrial sector
New Project works & maintenance work

Marine sector
Re-fit & maintenance work

COMMERCIAL OPPORTUNITIES

Match Day Sponsor

For £100, you can sponsor our match. Your company will be announced over the tannoy at the game, will be published on social media and your company logo will be on the front cover of our programme

Our VIP lounge will be open on match-days between 1pm and 6pm as a hospitality suite. For £350, 10 people can enjoy the game from an elevated pitch-side view with up to 80 drinks and food at half time.

Match Day Hospitality

Player Sponsorship

Sponsor your favourite first team player for £150 for the year. By sponsoring your chosen player, your company will be announced over the tannoy at each game, will be included in the match day programme and on social media channels.

For £150 per year, we'll include a half-page advertisement in our programme. This will be shared digitally through our social media channels and on our website.

Half-page in our programme

Full-page in our programme

For £250 per year, we'll include a full page advertisement in our programme. The programme will be published digitally and shared through our social media channels

Packages

Bronze

For £800 we'll give you one season ticket, a pitch side advertising board, a player sponsor, a full page in our programme and one match day sponsor.

Silver

For £1100, we'll give you two season tickets, a pitch side advertising board, a full page in our programme, one match day sponsor and one match day hospitality package

Gold

For £1300, we'll give you four season tickets, a pitch side advertising board, a full page in our programme, one match day sponsor, a player sponsor and one match day hospitality package.

If you're interested in joining our journey, please get in touch with by email at Commercial@BaglanDragons.com or through our social media channels

COACH'S COMMENTS

Today we welcome Cwmbran Celtic to the Evans Bevens in our third home game of the season.

This is sure to be another stern test for our squad against a team that have established themselves at this level over recent times.

We were very unlucky against Cwmbran Celtic last season where they scored late in both home and away fixtures to take a share of the points in both games. Our performances deserved more and we'll be looking to produce a big performance this afternoon and pick up a positive result.

With the above mentioned, I'm sure it will be another good game. Nothing separated us last season and I expect the same tough challenge this afternoon.

I hope you enjoy the game.

installation

One-Vision is a family run business. Paul Williams, the founder, has over 20 years of experience in the industry including 15 years as a supplier of SKY satellite systems. One Vision is now the Number 1 independent SKY Digital Retailer in Wales.

All of our fitters are experienced and continuously trained in the latest technologies. We are confident that we will provide you with a solution to all of your technical queries.

All systems are installed to British standard BSEN60728-11 2005.

the signs?

Actively selling in your area

Wills, Trusts & Probate

The team at David W Harris & Co Solicitors can offer you specialist guidance and support in the areas that are important to you with a constructive and cost-effective approach to ensure the best outcome for you and your family.

We pride ourselves in offering effective, tailored solutions that meet each client's needs at any given moment. Our services range from a simple Will, to complex tax planning, and assisting clients when they have lost a loved one or are caring for a person with capacity issues through ill health.

We want to be the first people that you and your family turn to for advice, not just in times of bereavement but to help plan for your future too.

Building a strong relationship with our clients is a key factor in allowing us to understand their individual needs to ensure we get the best results for them.
